**Tarun Vijay's new book**

# India Battles to Win

**"Those who want to understand the nature of Hindu struggle and feel concerned about Bharat's future will find Shri Tarun Vijay's writings immensely valuable."**

**-Mohan Rao Bhagwat**  
*Sarsanghchalak, RSS*

*(while releasing his earlier book- Saffron Surge)*

**"Tarun Vijay is an intellectual, patriot, writer and thinker. He argues and emphasises that our cultural and religious (Hindu) heritage gives India an advantage to achieve a better, prosperous, equitable and sustainable future. As an Indian, I am beholden to Tarun for making me think of my heritage as a part of the future."**

**- F.C. Kohli, Former Vice-President, Tata Consultancy Services.**  
**"Father of I.T in India"**

### **About The Book:**

India bruised and brutalized with terror war, poverty and self denying secularism yet shining stunningly on world horizon as an unstoppable global power is like a lion shackled in deep slumber slowly awakening with a roar. India's time has arrived. Invincible military strength, emerging economic power and a vibrant reformist youth energy having pride in its core civilisational character are the ingredients that makes this Indian war winnable.

India Battles to Win is an invigorating reading. Written in his own inimitable style by Tarun Vijay, who has emerged as the strong and 'most read' journalist representing Hindu nationalism gives his best power packed commentary. Controversial and fiery. Spares none-and remains unapologetic. An unprecedented book by a highly respected writer who has been one of the closest policy makers to the top leaders of Hindu movement and politics. **Hurry, before the offer ends-**
